Marilyn Chambers, the undisputed queen of erotic cinema, gives the performance of her life in the classic *Insatiable*.

Marilyn plays Sandra Chase, a beautiful model who inherits a fortune after her parents are killed in an accident. Though it would seem that the young heiress has everything one could desire, Sandra finds herself sexually unfulfilled and troubled by dark and ominous dreams.

Sandra accepts the lead role in a motion picture in the hopes of changing the direction of her life. What she encounters, however, are a series of torrid sexual encounters that lead her into a world of unbridled, breath-taking passion... An actress of unparalleled eroticism in a masterpiece of human desire, Marilyn Chambers is *INSATIABLE!*

One of modern adult cinema's most enduring features, starring one of its most recognizable performers, directed by two of its most influential talents.

Along with the early 1970s classics *Deep Throat* and *The Devil in Miss Jones*, the Mitchell Brothers' *Behind the Green Door* -- starring the alluringly all-American Marilyn Chambers -- still stands as a landmark in pornography, and helped give rise to a multi-billion-dollar industry.

Marilyn's role as the attractive ingenue works perfectly in this stylized, groundbreaking gem. It's no wonder that *Behind the Green Door* is still a well-known title to this day.
